New dimensions of light

Fine table lamps

Second edition

Dear friends of ksi[®],

you know that ksi[®] is a premium supplier of high quality lamps. Our efforts to achieve excellent results in quality, design and service have created a tailor-made collection which meets the individual requirements of our demanding customers.

Whether classical style, vanguard elegance or pure minimalism – our designs always combine beauty with functionality.

With precious materials being processed in high quality, the ksi[®] lamps unite elegance and impressive green ambiance – at highest security.

Choose between the natural flame of the unique ksi[®] special cartridges and the leading technology of rechargeable accumulator operated LED lamps with the cordless ksi[®] LED systems or real candles.

All made in Germany.

Your ksi[®] team.

**One solid piece of
300 year old oak
wood – unique &
shaped by nature.**

ksi[®] old oak

Shaped by nature

be unique

**Table lamps (height around 22 cm/8.6 inches)
out of the same oak as the big floor standing lamps**

ksi[®] old oak

ksi[®] creates
new dimensions

It takes extraordinary craftsmanship to reach this quality

The antique oak wood with a unique surface structure on this lamp has been recovered from historical buildings. Combined with a modern design, this lamp is one of a kind – an incomparable triad of „nature - time - light“.
